

## Gifts of CREATIVE PLAY

*Help children develop and express their creative spirit.*

Brain research demonstrates that play is a scaffold for development, a means by which all children practice skills they will need later in life.

With your donation, LCC will purchase materials that promote creative play – art supplies, manipulative objects, dolls, construction toys, dramatic play items, etc.

## Gifts of LITERACY

*Help children acquire the skills and interests that will allow them to become effective communicators and capable readers.*

As with all learning at LCC, literacy is taught in the context of everyday life. We infuse the day with literacy – helping children see how language improves our capacity to interact, enjoy and achieve.

With your donation, LCC will provide materials that support literacy – books, writing instruments, paper, etc.

## Gifts of GARDENS

*Help grow LCC's kitchen-garden programs.*

## Gifts of SCHOLARSHIPS

*Preschool is expensive! Help children and families have access to high quality early childhood services at LCC.*

Leelanau families with young children are too often unable to afford the full cost of childcare, putting them in a position of leaving their jobs or choosing low quality care.

With your donation, LCC will provide scholarships to families. Most scholarship recipients provide a work trade in return for their scholarship.

*Thank you for your support. Rest assured that your donation is well spent. Young children are experiencing a wonderful high-quality program in which they are building critical skills that will last a lifetime.*
